What You Need to Know Before Submitting an Offer in Compromise

What is an Offer in Compromise?

An **Offer in Compromise** (OIC) is an agreement between a taxpayer and the Internal Revenue Service (IRS) that resolves the taxpayer's tax liability. The IRS has the authority to settle, or *compromise*, federal tax liabilities by accepting less than full payment under certain circumstances. The IRS may legally compromise for one of the following reasons:

■ **Doubt as to Liability** — Doubt exists that the assessed tax is correct.

■ **Doubt as to Collectibility** — Doubt exists that you could ever pay the full amount of tax owed.

■ **Effective Tax Administration** — There is no doubt the tax is correct and no doubt the amount owed could be collected, but an exceptional circumstance exists that allows us to consider your offer. To be eligible for compromise on this basis, you must demonstrate that collection of the tax would create an economic hardship or would be unfair and inequitable.

Most people seeking to settle their taxes are unable to pay the amount due in full. An offer in compromise based on "Doubt as to Collectibility" is the way out for them. You can prepare your own offer based on doubt as to Collectibility

Form 656, Offer in Compromise, and Substitute Forms

Form 656, **Offer in Compromise**, is the official compromise agreement. Substitute forms, whether computer-generated or photocopies, must affirm that:

1. The substitute form is a verbatim duplicate of the official Form 656, and
2. You agree to be bound by all terms and conditions set forth in the official Form 656.

You must initial and date all pages of the substitute form, in addition to signing and dating the signature page.

You must initial each page, don't forget

Do not make any modifications to the form. The IRS uses the excuse that the taxpayer has modified the Form 656 to reject the offer. Don't fall into that trap.

You can get Form 656 by calling 1-800-829-1040 or 1-800-829-FORM, by visiting your local Internal Revenue Service (IRS) office, or by accessing our website at www.irs.gov

Am I Eligible for Consideration of an Offer in Compromise?

You may be eligible for consideration of an **Offer in Compromise** if:

1. In your judgment, you don't owe the tax liability (**Doubt as to Liability**). You must submit a detailed written statement explaining why you believe you don't owe the tax liability you want to compromise. You won't be required to submit a collection information statement if you're submitting an offer on this basis alone.
2. In your judgment, you can't pay the entire tax liability in full (**Doubt as to Collectibility**). You must submit a collection information statement showing your current financial situation.
3. You agree the tax liability is correct and you're able to pay the balance due in full, but you have exceptional circumstances you'd like us to consider (**Effective Tax Administration**). To receive consideration on this basis, you must submit:

- a. a collection information statement, and
- b. a detailed written narrative. The narrative must explain your exceptional circumstances and why paying the tax liability in full would either create an economic hardship or would be unfair and inequitable.

We'll also consider your overall history of filing and paying taxes.

Note: If you request consideration on the basis of effective tax administration, we're first required to establish that there is no doubt as to liability and no doubt as to collectibility. We can only consider an offer on the basis of effective tax administration after we've determined the liability is correct and collectible.

Concentrate your efforts on an offer based on Doubt as to Collectibility it is the basis for most acceptances

When Am I Not Eligible for Consideration of an Offer in Compromise?

You are not eligible for consideration of an **Offer in Compromise** on the basis of **doubt as to collectibility** or **effective tax administration** if:

1. You haven't filed all required federal tax returns, or
2. You're involved in an open bankruptcy proceeding.

Note: If you are an in-business taxpayer, you must have filed and deposited all employment taxes on time for the two (2) quarters preceding your offer, as well as, deposit all employment taxes on time during the quarter you submit your offer.

Step is to file all your past due

If you are in bankruptcy don't waste your \$150 Fee. Wait until you get out and then submit an Offer in Compromise

What We Need to Process Your Offer in Compromise

For us to process your offer, you must provide a complete and correct Form 656 and:

- Form 433-A, *Collection Information Statement for Wage Earners and Self-Employed Individuals*, if you are submitting an offer as an **individual** or **self-employed taxpayer**.

- Form 433-B, *Collection Information Statement for Businesses*, if you are submitting an offer as a **corporation** or **other business** taxpayer. We may also require Forms 433-A from corporate officers or individual partners.

For a more detailed explanation of the information required to complete these forms, see the section entitled, "Financial Information" on page 3.

Note: We don't need a collection information statement for an offer based solely on doubt as to liability.

Please complete all applicable items on Form 656 and provide all required documentation. We may contact you for any missing required information. If we don't receive a response to our request or receive the required information, we won't recommend your offer for acceptance and will return your Form 656 to you by mail. We will explain our reason(s) for returning your offer in our letter. The reasons for return are:

- The pre-printed terms and conditions listed on Form 656 have changed

- A taxpayer name is missing
- A Social Security Number or Employer Identification Number is missing, incomplete, or incorrect
- An offer amount or payment term is unstated
- A signature is missing
- A collection information statement (Form 433-A or Form 433-B) is missing or incomplete, if your offer is based on doubt as to collectibility or effective tax administration
- We did not receive collection information statement verification
- Our records show you don't have a tax liability
- Your offer is submitted to delay collection or cause a delay which will jeopardize our ability to collect the tax

Note: You should personally sign your offer and any required collection information statements unless unusual circumstances prevent you from doing so. If someone with an authorized power of attorney signs your offer because of unusual circumstances, you must include a completed Form 2848, Power of Attorney and Declaration of Representative, with your offer.

What You Should Do If You Want to Submit an Offer in Compromise

Determine Your Offer Amount

All offer amounts (**doubt as to liability, doubt as to collectibility, or effective tax administration**) must exceed \$0.00.

■ Doubt as to Liability

Complete Item 9, *Explanation of Circumstances*, on Form 656, explaining why, in your judgment, you don't owe the tax liability you want to compromise. Offer the correct tax, penalty, and interest owed based on your judgment.

■ Doubt as to Collectibility

Complete Form 433-A, *Collection Information Statement for Wage Earners and Self-Employed Individuals*, or Form 433-B, *Collection Information Statement for Businesses*, as appropriate, and attach to your Form 656. For assistance in determining your offer amount, visit our website at www.irs.ustreas.gov/ind_info/oic/index.html. If you are a wage earner or self-employed individual, figure your offer amount by completing the worksheet on pages 10–11.

You must offer an amount greater than or equal to the "reasonable collection potential" (RCP). The RCP equals the net equity of your assets plus the amount we could collect

from your future income. Please see page 8, **Terms and Definitions**, for more detailed definitions of these and other terms.

If special circumstances cause you to offer an amount less than the RCP, you must also complete Item 9, *Explanation of Circumstances*, on Form 656, explaining your situation. Special circumstances may include factors such as advanced age, serious illness from which recovery is unlikely, or unusual circumstances that impact upon your ability to pay the total RCP and continue to provide for the necessary expenses for you and your family.

■ Effective Tax Administration

Complete Form 433-A or Form 433-B, as appropriate, and attach to Form 656.

Complete Item 9, *Explanation of Circumstances*, on Form 656, explaining your exceptional circumstances and why requiring payment of the tax liability in full would either create an economic hardship or would be unfair and inequitable.

Enter your offer amount on Item 7 of Form 656.

The heart of an Offer in Compromise is the Form 433A. It is what determines how much you have to pay. The Form 656 is just a formal attachment.

Financial Information

Note: We do not require this information if your offer is based solely on doubt as to liability.

You must provide financial information when you submit offers based on **doubt as to collectibility** and **effective tax administration**.

If you are submitting an offer as a wage earner or self-employed individual, you must file Form 433-A, *Collection Information Statement for Wage Earners and Self-Employed Individuals*, with your Form 656. If you are a corporation or other business taxpayer, you must file Form 433-B, *Collection Information Statement for Businesses*. We may

also request Forms 433-A from corporate officers or individual partners.

You must send us current information that reflects your financial situation for at least the past six months. **Collection information statements must show all your assets and income, even those unavailable to us through direct collection action, because you can use them to fund your offer. The offer examiner needs this information to evaluate your offer and may ask you to update it or verify certain financial information. We may also return offer packages without complete collection information statements.**

Offers based on Doubt as to Liability generally require professional help

g the IRS where all their stu

cat is out of the bag. Everyone should read my book Offer Secrets

WARNING: They are looking for reasons to reject your offer and keep your \$150.00 filing fee.

If only one spouse has a liability don't attempt an offer without reading my book Offer Secrets Revealed.

When only one spouse has a tax liability but both have incomes, only the spouse responsible for the debt is required to prepare the necessary collection information statements. In states with community property laws, however, we

require collection information statements from both spouses. We may also request financial information on the non-liable spouse for offer verification purposes, even when community property laws do not apply.

Determine Your Payment Terms

There are three payment plans you and the IRS may agree to:

ten-year statutory period for collection, whichever is less).

- **Cash** (paid in 90 days or less)
- **Short-Term Deferred Payment** (more than 90 days, up to 24 months)
- **Deferred Payment** (offers with payment terms over the remaining statutory period for collecting the tax).

You can pay the short-term deferred payment plan in three ways:

Plan One

- Full payment of the realizable value of your assets within 90 days from the date we accept your offer, and
- Payment within two years of acceptance of the amount we could collect over 60 months (future income) or the remaining life of the collection statute, whichever is less.

Plan Two

- Cash payment for a portion of the realizable value of your assets within 90 days from the date we accept your offer, and
- The balance of the realizable value plus the amount we could collect over 60 months (future income) or the remaining life of the collection statute, whichever is less, within two years of acceptance.

Plan Three

- The entire offer amount in monthly payments extending over a period not to exceed two years from date of acceptance (e.g., four payments within 120 days of acceptance).

For example, on a short-term deferred payment total offer of \$16,000, you might propose to pay your realizable value of assets (e.g., \$13,000) within 90 days of

Cash Offer

You must pay cash offers within 90 days of acceptance.

You should offer the realizable value of your assets plus the total amount we could collect over 48 months of payments (or the remainder of the ten-year statutory period for collection, whichever is less).

~~**Note: We require full payment of accepted doubt as to liability offers at the time of mutual agreement of the corrected liability. If you're unable to pay the corrected amount, you must also request compromise on the basis of doubt as to collectibility.**~~

Short-Term Deferred Payment Offer

This payment plan requires you to pay the offer within two years of acceptance.

The offer must include the realizable value of your assets plus the amount we could collect over 60 months of payments (or the remainder of the

acceptance and the amount of your future income (e.g., \$50 per month for 60 months, or \$3,000) over 6 monthly payments of \$500 each, beginning the first month after acceptance.

We may file a Notice of Federal Tax Lien on tax liabilities compromised under short-term deferred payment offers.

Deferred Payment Offer

This payment plan requires you to pay the offer amount over the remaining statutory period for collecting the tax.

The offer must include the realizable value of your assets plus the amount we could collect through monthly payments during the remaining life of the collection statute.

For wage earners and self-employed individuals who want to submit a deferred payment offer, we will help you determine your future income amount. To compute this amount, we must calculate the remaining time left on the collection statute for each period of the tax liability.

- Call 1-800-829-1040 to assist you in this calculation.
- Using Form 433-A Worksheet, multiply the amount from Item 12, Box O, by the number of months remaining on the collection statute. Add that amount to Item 11, Box N, and use the total as the basis for your offer amount in Item 7 of Form 656.

You can pay the deferred payment plan in three ways:

Plan One

- Full payment of the realizable value of your assets within 90 days from the date we accept your offer, and

- Your “future income” in monthly payments during the remaining life of the collection statute

Plan Two

- Cash payment for a portion of the realizable value of your assets within 90 days from the date we accept your offer, and
- Monthly payments during the remaining life of the collection statute for both the balance of the realizable value and your future income

Plan Three

- The entire offer amount in monthly payments over the life of the collection statute

For example, on a deferred payment offer with 7 years (84 months) remaining on the statutory period for collection and a total offer of \$25,000, you might propose to pay your realizable value of assets (e.g., \$10,000) within 90 days and your future income (e.g., \$179 per month for 7 years, or \$15,000) in 84 monthly installments of \$179. Alternately, you could also pay the same total \$25,000 offer in 84 monthly installments of \$298.

Just as with short-term deferred payment offers, we may file a Notice of Federal Tax Lien.

Note: The worksheet on page 10 instructs wage earners and self-employed individuals how to figure the appropriate amount for a Cash, Short-Term Deferred Payment, or Deferred Payment Offer.

How We Consider Your Offer

An offer examiner will evaluate your offer and may request additional documentation from you to verify financial or other information you provide. The examiner will then make a recommendation to accept it or reject the offer. The examiner may also

return your offer if you don't provide the requested information.

The examiner may decide that a larger offer amount is necessary to justify acceptance. You will have the opportunity to amend your offer.

Additional Agreements

When you submit certain offers, we may also request that you sign an additional agreement requiring you to:

- Pay a percentage of your future earnings
- Waive certain present or future tax benefits

Withholding Collection Activities

We will withhold collection activities while we consider your offer. We will not act to collect the tax liability:

- While we investigate and evaluate your offer
- For 30 days after we reject an offer
- While you appeal an offer rejection

The above do not apply if we find any indication that you submitted your offer to delay collection or cause a delay which will jeopardize our ability to collect the tax.

If you currently have an installment agreement when you submit an offer, you must continue making the agreed upon monthly payments while we consider your offer.

If We Accept Your Offer

If we accept your offer, we will notify you by mail. When you receive your acceptance letter, you must:

- Promptly pay any unpaid amounts that become due under the terms of the offer agreement
- Comply with all the terms and conditions of the offer, along with those of any additional agreement
- Promptly notify us of any change of address until you meet the conditions of your offer. Your acceptance letter will indicate which IRS office to contact if your address changes. Your notification allows us to contact you immediately regarding the status of your offer

release of a lien, you can submit certified funds with a request letter.

In the future, not filing returns or paying taxes when due could result in the default of an accepted offer (see Form 656, Item 8(d), the *future compliance provision*). If you default your agreement, we will reinstate the unpaid amount of the original tax liability, file a Notice of Federal Tax Lien on any tax liability without a filed notice, and resume collection activities. The future compliance provision applies to offers based on **doubt as to collectibility**. In certain cases, the future compliance provision may apply to offers based on **effective tax administration**.

We won't default your offer agreement when you have filed a joint offer with your spouse or ex-spouse as long as you've kept or are keeping all the terms of the agreement, even if your spouse or ex-spouse violates the future compliance provision.

We will release all Notices of Federal Tax Lien when you satisfy the payment terms of the offered amount. For an immediate

(c) If the IRS rejects or returns the offer or I/we withdraw the offer, the IRS will return any amount paid with the offer. If I/we agree in writing, IRS will apply the amount paid with the offer to the amount owed. If I/we agree to apply the payment, the date the IRS received the offer remittance will be considered the date of payment. I/We understand that the IRS will not pay interest on any amount I/we submit with the offer.

This is why you do not send any money with your offer.

(d) I/We will comply with all provisions of the Internal Revenue Code relating to filing my/our returns and paying my/our required taxes for 5 years or until the offered amount is paid in full, whichever is longer. In the case of a jointly submitted offer to compromise joint tax liabilities, I/we understand that default with respect to the compliance provisions described in this paragraph by one party to this agreement will not result in the default of the entire agreement. The default provisions described in Item 8(n) of this agreement will be applied only to the party failing to comply with the requirements of this paragraph. This provision does not apply to offers based on Doubt as to Liability.

This is your 5 year Probation

I/We understand, however, that the IRS may not consider this offer if I/we refuse to waive the statutory periods for assessment or if we provide only a limited

Warning: The statute of limitations does not run while an offer is pending.

waiver. The amount of any Federal tax due for the periods described in Item 5 may be assessed at any time prior to the acceptance of this offer or within one year of the rejection of this offer.

(f) The IRS will keep all payments and credits made, received or applied to the total original tax liability before submission of this offer. The IRS may keep any proceeds from a levy served prior to submission of the offer, but not received at the time the offer is submitted. If I/we have an installment agreement prior to submitting the offer, I/we must continue to make the payments as agreed while this offer is pending. Installment agreement payments will not be applied against the amount offered.

(g) As additional consideration beyond the amount of my/our offer, the IRS will keep any refund, including interest, due to me/us because of overpayment of any tax or other liability, for tax periods extending through the calendar year that the IRS accepts the offer. I/We may not designate an overpayment ordinarily subject to refund, to which the IRS is entitled, to be applied to estimated tax payments for the following year. This condition does not apply if the offer is based on Doubt as to Liability.

(h) I/We will return to the IRS any refund identified in (g) received after submission of this offer. This condition does not apply to offers based on Doubt as to Liability.

(i) The IRS cannot collect more than the full amount of the tax liability under this offer.

(j) I/We understand that I/we remain responsible for the full amount of the tax liability, unless and until the IRS accepts the offer in writing and I/we have met all the terms and conditions of the offer. The IRS will not remove the original amount of the tax liability from its records until I/we have met all the terms of the offer.

Do not file bankruptcy while you have an offer pending. Wait until the offer is either accepted or rejected before filing bankruptcy.

(k) I/We understand that the tax I/we offer to compromise is and will remain a tax liability until I/we meet all the terms and conditions of this offer. If I/we file bankruptcy before the terms and conditions of this offer are completed, any claim the IRS files in the bankruptcy proceedings will be a tax claim.

(l) Once the IRS accepts the offer in writing, I/we have no right to contest, in court or otherwise, the amount of the tax liability.

(m) The offer is pending starting with the date an authorized IRS official signs this form. The offer remains pending until an authorized IRS official accepts, rejects, returns or acknowledges withdrawal of the offer in writing. If I/we appeal an IRS rejection decision on the offer, the IRS will continue to treat the offer as pending until the Appeals Office accepts or rejects the offer in writing. If I/we don't file a protest within 30 days of the date the IRS notifies me/us of the right to protest the decision, I/we waive the right to a hearing before the Appeals Office about the offer in compromise.

(n) If I/We fail to meet any of the terms and conditions of the offer and the offer defaults, then the IRS may:

- immediately file suit to collect the entire unpaid balance of the offer

- immediately file suit to collect an amount equal to the original amount of the tax liability as liquidating damages, minus any payment already received under the terms of this offer
- disregard the amount of the offer and apply all amounts already paid under the offer against the original amount of the tax liability
- file suit or levy to collect the original amount of the tax liability, without further notice of any kind.

The IRS will continue to add interest, as Section 6601 of the Internal Revenue Code requires, on the amount the IRS determines is due after default. The IRS will add interest from the date the offer is defaulted until I/we completely satisfy the amount owed.

(o) The IRS generally files a Notice of Federal Tax Lien to protect the Government's interest on deferred payment offers. This tax lien will be released when the payment terms of the offer agreement have been satisfied.

(p) I/We understand that the IRS employees may contact third parties in order to respond to this request and I authorize the IRS to make such contacts. Further, by authorizing the Internal Revenue Service to contact third parties, I understand that I will not receive notice, pursuant to section 7602(c) of the Internal Revenue Code, of third parties contacted in connection with this request.

NOTE: Signature(s) of taxpayer required on last page of Form 656

Item 8 — By submitting this offer, I/we understand and agree to the following conditions:

- (a) I/We voluntarily submit all payments made on this offer.
- (b) The IRS will apply payments made under the terms of this offer in the best interest of the government.
- (c) If the IRS rejects or returns the offer or I/we withdraw the offer, the IRS will return any amount paid with the offer. If I/we agree in writing, IRS will apply the amount paid with the offer to the amount owed. If I/we agree to apply the payment, the date the IRS received the offer remittance will be considered the date of payment. I/We understand that the IRS will not pay interest on any amount I/we submit with the offer.
- (d) **I/We will comply with all provisions of the Internal Revenue Code relating to filing my/our returns and paying my/our required taxes for 5 years or until the offered amount is paid in full, whichever is longer. In the case of a jointly submitted offer to compromise joint tax liabilities, I/we understand that default with respect to the compliance provisions described in this paragraph by one party to this agreement will not result in the default of the entire agreement. The default provisions described in Item 8(n) of this agreement will be applied only to the party failing to comply with the requirements of this paragraph. This provision does not apply to offers based on Doubt as to Liability.**
- (e) I/We waive and agree to the suspension of any statutory periods of limitation (time limits provided for by law) for the IRS assessment of the tax liability for the periods identified in Item 5. I/We understand that I/we have the right not to waive these statutory periods or to limit the waiver to a certain length or to certain issues. I/We understand, however, that the IRS may not consider this offer if I/we refuse to waive the statutory periods for assessment or if we provide only a limited waiver. The amount of any Federal tax due for the periods described in Item 5 may be assessed at any time prior to the acceptance of this offer or within one year of the rejection of this offer.
- (f) The IRS will keep all payments and credits made, received or applied to the total original tax liability before submission of this offer. The IRS may keep any proceeds from a levy served prior to submission of the offer, but not received at the time the offer is submitted. If I/we have an installment agreement prior to submitting the offer, I/we must continue to make the payments as agreed while this offer is pending. Installment agreement payments will not be applied against the amount offered.
- (g) **As additional consideration beyond the amount of my/our offer, the IRS will keep any refund, including interest, due to me/us because of overpayment of any tax or other liability, for tax periods extending through the calendar year that the IRS accepts the offer. I/We may not designate an overpayment ordinarily subject to refund, to which the IRS is entitled, to be applied to estimated tax payments for the following year. This condition does not apply if the offer is based on Doubt as to Liability.**
- (h) I/We will return to the IRS any refund identified in (g) received after submission of this offer. This condition does not apply to offers based on Doubt as to Liability.
- (i) The IRS cannot collect more than the full amount of the tax liability under this offer.
- (j) I/We understand that I/we remain responsible for the full amount of the tax liability, unless and until the IRS accepts the offer in writing and I/we have met all the terms and conditions of the offer. The IRS will not remove the original amount of the tax liability from its records until I/we have met all the terms of the offer.

(k) I/We understand that the tax I/we offer to compromise is and will remain a tax liability until I/we meet all the terms and conditions of this offer. If I/we file bankruptcy before the terms and conditions of this offer are completed, any claim the IRS files in the bankruptcy proceedings will be a tax claim.

(l) Once the IRS accepts the offer in writing, I/we have no right to contest, in court or otherwise, the amount of the tax liability.

(m) The offer is pending starting with the date an authorized IRS official signs this form. The offer remains pending until an authorized IRS official accepts, rejects, returns or acknowledges withdrawal of the offer in writing. If I/we appeal an IRS rejection decision on the offer, the IRS will continue to treat the offer as pending until the Appeals Office accepts or rejects the offer in writing. If I/we don't file a protest within 30 days of the date the IRS notifies me/us of the right to protest the decision, I/we waive the right to a hearing before the Appeals Office about the offer in compromise.

(n) If I/We fail to meet any of the terms and conditions of the offer and the offer defaults, then the IRS may:

- immediately file suit to collect the entire unpaid balance of the offer

- immediately file suit to collect an amount equal to the original amount of the tax liability as liquidating damages, minus any payment already received under the terms of this offer
- disregard the amount of the offer and apply all amounts already paid under the offer against the original amount of the tax liability
- file suit or levy to collect the original amount of the tax liability, without further notice of any kind.

The IRS will continue to add interest, as Section 6601 of the Internal Revenue Code requires, on the amount the IRS determines is due after default. The IRS will add interest from the date the offer is defaulted until I/we completely satisfy the amount owed.

(o) The IRS generally files a Notice of Federal Tax Lien to protect the Government's interest on deferred payment offers. This tax lien will be released when the payment terms of the offer agreement have been satisfied.

(p) I/We understand that the IRS employees may contact third parties in order to respond to this request and I authorize the IRS to make such contacts. Further, by authorizing the Internal Revenue Service to contact third parties, I understand that I will not receive notice, pursuant to section 7602(c) of the Internal Revenue Code, of third parties contacted in connection with this request.

If paid semi-monthly (twice each month) - multiply semi-monthly gross wages by 2. Example: \$856.23 x 2 = \$1,712.46

¹ Wages, salaries, pensions, and social security: Enter your gross monthly wages and/or salaries. Do not deduct withholding or allotments you elect to take out of your pay, such as insurance payments, credit union deductions, car payments etc.

To calculate your gross monthly wages and/or salaries:

If paid weekly - multiply weekly gross wages by 4.3. Example: \$425.89 x 4.3 = \$1,831.33

If paid bi-weekly (every 2 weeks) - multiply bi-weekly gross wages by 2.17. Example: \$972.45 x 2.17 = \$2,110.22

If paid semi-monthly (twice each month) - multiply semi-monthly gross wages by 2. Example: \$856.23 x 2 = \$1,712.46

² Net Income from Business: Enter your monthly net business income. This is the amount you earn after you pay ordinary and necessary monthly business expenses. This figure should relate to the yearly net profit from your Form 1040 Schedule C. If it is more or less than the previous year, you should attach an explanation. If your net business income is a loss, enter "0". Do not enter a negative number.

³ Net Rental Income: Enter your monthly net rental income. This is the amount you earn after you pay ordinary and necessary monthly rental expenses. If your net rental income is a loss, enter "0". Do not enter a negative number.

⁴ Expenses not generally allowed: We generally do not allow you to claim tuition for private schools, public or private college expenses, charitable contributions, voluntary retirement contributions, payments on unsecured debts such as credit card bills, cable television and other similar expenses. However, we may allow these expenses, if you can prove that they are necessary for the health and welfare of you or your family or for the production of income.

⁵ Food, Clothing and Misc.: Total of clothing, food, housekeeping supplies and personal care products for one month.

⁶ Housing and Utilities: For your principal residence: Total of rent or mortgage payment. Add the average monthly expenses for the following: property taxes, home owner's or renter's insurance, maintenance, dues, fees, and utilities. Utilities include gas, electricity, water, fuel, oil, other fuels, trash collection and telephone.

⁷ Transportation: Total of lease or purchase payments, vehicle insurance, registration fees, normal maintenance, fuel, public transportation, parking and tolls for one month.

ATTACHMENTS REQUIRED: Please include:

Date

Except for offers based on **doubt as to liability**, the offer agreement requires you to forego certain refunds, and to return those refunds to us if they are issued to you by mistake. These conditions are also listed on Form 656, Items 8(g) and 8(h).

Note: The law requires us to make certain information from accepted Offers in Compromise available for public inspection and review in your local IRS Territory Office. Therefore, information regarding your Offer in Compromise may become publicly known.

If We Reject Your Offer

We'll notify you by mail if we reject your offer. In our letter, we will explain our reason for the rejection. If your offer is rejected, you have the right to:

- Appeal our decision to the Office of Appeals within thirty days from the date of our letter. The letter will include detailed instructions on how to appeal the rejection.

- Submit another offer. You must increase an offer we've rejected as being too low, when your financial situation remains unchanged. However, you must provide updated financial information when your financial situation has changed or when the original offer is more than six months old.

Terms and Definitions

An understanding of the following terms and conditions will help you to prepare your offer.

Fair Market Value (FMV) – The amount you could reasonably expect from the sale of an asset. Provide an accurate valuation of each asset. Determine value from realtors, used car dealers, publications, furniture dealers, or other experts on specific types of assets. Please include a copy of any written estimate with your Collection Information Statement.

Quick Sale Value (QSV) – The amount you could reasonably expect from the sale of an asset if you sold it quickly, typically in ninety days or less. This amount generally is less than fair market value, but may be equal to or higher, based on local circumstances.

Realizable Value – The quick sale value amount minus what you owe to a secured creditor. The creditor must have priority over a filed Notice of Federal Tax Lien before we allow a subtraction from the asset's value.

Future Income – We generally determine the amount we could collect from your future income by subtracting necessary living expenses from your monthly income over a set number of months. For a cash offer, you must offer what you could pay in monthly payments over forty-eight months (or the remainder of the ten-year statutory period for collection, whichever is less). For a short-term deferred offer, you must offer what you could pay in monthly payments over sixty months (or the remainder of the statutory period for collection, whichever is less). For a deferred payment offer, you must offer what you could pay in monthly payments during the remaining time we could legally receive payments.

Reasonable Collection Potential (RCP) –

The total realizable value of your assets plus your future income. The total is generally your minimum offer amount.

Necessary Expenses – The allowable payments you make to support you and your family's health and welfare and/or the production of income. This expense allowance does not apply to business entities. Our Publication 1854 explains the National Standard Expenses and gives the allowable amounts. We derive these amounts from the Bureau of Labor Statistics (BLS) Consumer Expenditure Survey. We also use information from the Bureau of the Census to determine local expenses for housing, utilities, and transportation.

Note: *If the IRS determines that the facts and circumstances of your situation indicate that using the scheduled allowance of necessary expenses is inadequate, we will allow you an adequate means for providing basic living expenses. However, you must provide documentation that supports a determination that using national and local expense standards leaves you an inadequate means of providing for basic living expenses.*

Expenses Not Generally Allowed – We typically do not allow you to claim tuition for private schools, public or private college expenses, charitable contributions, voluntary retirement contributions, payments on unsecured debts such as credit card bills, cable television charges and other similar expenses as necessary living expenses. However, we can allow these expenses when you can prove that they are necessary for the health and welfare of you or your family or for the production of income.

Completing Form 656, Offer in Compromise

We have included two Offer in Compromise forms. Use one form to submit your offer in compromise. You may use the other form as a worksheet and retain it for your personal records.

Note: If you have any questions about completing this form, you may call 1-800-829-1040 or visit your local IRS office or our website at www.irs.ustreas.gov/ind_info/oic/index.html. We may return your offer if you don't follow these instructions.

Item 1:	Enter your name and home or business address. You should also include a mailing address, if it is different from your street address. Show both names on joint offers for joint liabilities. If you owe one liability by yourself (such as employment taxes),	and other liabilities jointly (such as income taxes), but only you are submitting an offer, list all tax liabilities on one Form 656. If you owe one liability yourself and another jointly, and both parties submit an offer, complete two Forms 656 , one for the individual liability and one for the joint liability.
Item 2:	Enter the social security number(s) for the person(s) submitting the offer. For example, enter the social security number of both spouses when	submitting a joint offer for a joint tax liability. However, when only one spouse submits an offer, enter only that spouse's social security number.
Item 3:	Enter the employer identification number for offers from businesses.	
Item 4:	Show the employer identification numbers for all other businesses (excluding corporate entities) that you	own or in which you have an ownership interest.
Item 5:	Identify your tax liability and enter the tax year or period. Letters and notices from us and Notices of Federal Tax Lien show	the tax periods for trust fund recovery penalties.
Item 6:	Check the appropriate box (es) describing the basis for your offer. Doubt as to Liability offers require a statement describing in detail why you think you do not owe the liability. Complete Item 9, "Explanation of Circumstances," explaining your situation. Doubt as to Collectibility offers require you to complete a Form 433-A, <i>Collection Information Statement for Wage Earners and Self-Employed Individuals</i> , if you are an individual taxpayer, or a Form 433-B,	<i>Collection Information Statement for Businesses</i> , if you are a corporation or other business taxpayer. Effective Tax Administration offers require you to complete a Form 433-A, <i>Collection Information Statement for Wage Earners and Self-Employed Individuals</i> , if you are an individual taxpayer, or a Form 433-B, <i>Collection Information Statement for Businesses</i> , if you are a corporation or other business taxpayer. Complete Item 9, "Explanation of Circumstances."

Note: Staple in the upper left corner the six (6) pages of the collection information statement before you send it to us.

Item 7:	Enter the total amount of your offer (see page 3, “Determine Your Offer Amount”). Your offer amount cannot include a refund we owe you or amounts you have already paid.	Check the appropriate payment box (cash, short-term deferred payment or deferred payment — see page 4, “Determine Your Payment Terms”) and describe your payment plan in the spaces provided.
Item 8:	It is important that you understand the requirements listed in this section. Pay particular attention to Items 8(d)	and 8(g), as they address the future compliance provision and refunds.
Item 9:	Explain your reason(s) for submitting your offer in the “Explanation of	Circumstances.” You may attach additional sheets if necessary.
Item 10:	Explain where you will get the funds to pay the amount you are offering.	
Item 11:	All persons submitting the offer must sign and date Form 656. Include titles of authorized corporate officers, executors, trustees, Powers of Attorney, etc. where applicable.	Note: Staple in the upper left corner the four (4) pages of Form 656 before you send it to us.
